

DESIGN A net zero POSTER COMPETITION

WHAT YOU NEED TO DO

To celebrate the launch of Leicestershire County Council's Net Zero Strategy and Action Plan, we want young people to design an A3 or A4 poster reflecting actions the public can take to reduce their carbon footprint such as reducing waste, recycling, saving energy, or active travel.

It can be one action or many actions, the choice is yours. We want you to be colourful and bold and display a clear climate message.
