

BROUGHTON ASTLEY PARISH COUNCIL PUBLIC NOTICE

Please note that Broughton Astley Parish Council's ongoing safety programme involves the inspection of all memorials above 2ft in height at the Cemetery

TESTING SHALL COMMENCE IN MAY 2023

Any memorial that has not met the health and safety requirement will be provided with a notice and may be temporarily laid down.

Broughton Astley Parish Council shall be in touch with the registered grave owner, providing them with details and actions required to make the memorial safe.

For your own safety, and that of all visitors to the Cemetery **DO NOT** attempt to test a memorial yourself. Any repair works must be undertaken by a qualified Stonemason and the Parish Council are to be informed of the works being carried out.

We appreciate your assistance and co-operation in ensuring the Cemetery is a safe place for everyone to visit.

If you have any queries please do not hesitate to contact the Parish Office on 01455 285655 or via email to admin@broughton-astley.gov.uk
