## What have we done

- **Anti Social Behaviour** - The local neighbourhood team conduct regular patrols in highlighted problem areas. Officers will advertise on our social media channels when they are out and about patrolling. We record all ASB on our shared system with Harborough District Council and together we will do what we can to reduce problems and provide you with the satisfaction. We continue to encourage you to report concerns and locations to us, we need this information to conduct more targeted patrols.
- **Motor vehicle crime**—Over the past couple of months we have been conducting regular patrols. Both overt & covert tactics are utilised to target offenders. A number of local enforcements have been conducted over the past couple of months resulting in successful convictions for motor vehicle related offences.
- **Road Safety** – We have been conducting patrols, speeding checks and dealing with road safety matters across the beat. We endeavour to post social media updates when speeding checks have been carried out. We continue to conduct checks and operations with partners such as local councils, trading standards and the DVSA. We also conduct speed checks and use volunteers to conduct speed checks. If you are concerned about speeding you can report your concerns to the Road Safety Partnership at <https://www.speedorsafety.com>

The Neighbourhood team have been working with the local council to identify speeding hot spots. Officers have been out conducting speed operations in those areas, giving out advice and tickets where needed.

As the darker nights set in, this is a reminder to help us keep your property safe by;

- Close all windows and doors when you're not in the room
- test your burglar alarm regularly and remembering to always set it.
- Fit shed and garage alarms
- Reconsider leaving notes for the postman about where to leave parcels.
- Look at your property and review what can be seen
